GOLF DAY

2026

PROUDLY SUPPORTING

BREAKTHROUGH
mental health research foundation

Friday 6 November 2026 | Kooyonga Golf Club

Together, we can help create a
life free from mental illness

ABOUT THE DAY

Since 2022, Breakthrough's proud partner and ambassador James Thredgold has hosted his annual Golf Day for Breakthrough. The event has grown from strength to strength each year, raising \$113,000 in 2024.

You are invited to partner with us for this amazing day at Adelaide's most esteemed golf club for a day of fun, connection, networking, and raising life changing research into mental health and depression.

"Since losing my wife in 2016 to depression and the hospital admission in the days leading up to that ill fated day, I realised that there was something wrong, that our most vulnerable couldn't get the help they needed, when they need it.

So Alan Young our stock broker and friend suggested I have a talk to the foundation and everything John explained to me made sense. So now as an Ambassador for Breakthrough, we raise money to fund vital research so people like Holly hopefully in the near future can live life free from mental illness and we can help provide them with better crisis interventions."
